Ms. Diksha Prabhu Gaonkar
BB Borkar Road S2 Swastik Apts
403521 Porvorim / Gao
India

Dear Ms. Prabhu Gaonkar,

It is my pleasure to inform you that you have been admitted as a regular student, to the department of Chemistry toward a Master degree (with thesis) , beginning March 2022.

Following are the terms of your admission:

- Your studies lead to the following Degree: **PhD in Chemistry**
- You are to contact Prof. Efrat Lifshitz who has been appointed as your temporary advisor.
- You are to submit a research proposal no later than February 2023.
- Your thesis submission date is by the end of February 2024 . All academic requirements have to be completed by then. The thesis submission date may change dependent on scholarship status. You will be notified of any change.
- You will receive a monthly scholarship in the amount of approx. 3,828 Shekels for a Scholarship duration of up to 24 months.
The scholarship carries with it a tuition waiver.
- Your total number of required credits is:

graduate courses: no. of credits: 16

Language requirements:

Advanced English : exempt

For research students:

You are required to take the course 218000 "Ethics in research" and pass it successfully. Approval of your research topic is contingent on it.

Please contact the Graduate Studies office in your academic unit for details regarding all the requirements and/or your course of studies.

Please note:

As a rule, classes are conducted in Hebrew, therefore basic knowledge of Hebrew is recommended. However, some classes may be offered in English per an advance request from an international student.

Reading material, for most classes, is in English and assignments and tests may be submitted in English, with an advanced coordination with the teachers.

All professors as well as most teaching assts. are fluent in English and therefore can offer assistance to the students.

Some of the pre-requisite courses may be offered in English at the Technion International.

Please check with your graduate secretary.

For more information on teaching in English at the Technion, see:

https://graduate.technion.ac.il/en/prospective-students/language_of_studies

Please inform us within 30 days, via email to: IntGrad@technion.ac.il if you intend to start your studies at the Technion. We will not be able to guarantee your place should we not hear from you.

In addition please inform us, as soon as possible, the date of your arrival in Israel so that we can arrange for a smooth process.

Please note that rooms on campus are available starting October - for fall semester, or March - for spring semester. Please contact us for the exact date of lodging.

If you come as an "international student" you must obtain a student insurance prior to your arrival in Israel.

We recommend that you read the academic regulations, your familiarity with the school's regulations will smooth your way and prevent mistakes and misunderstandings during your studies:

<http://www.graduate.technion.ac.il/Eng//Regulations/Graduate%20School%20Reg>

We wish you success in your studies

Sincerely,

Yael Cohen
Academic Secretary

Cc: Head/Coordinator of the Graduate Studies Committee in Chemistry

Advisor: Prof. Efrat Lifshitz, Chemistry
