Report on Gender IQ

On the occasion of Women's Day 2020, students of BA from the Department of French and Francophone Studies and the Department of Portuguese and Lusophone Studies, were introduced to the concept of Gender Q and participated in an interactive multimedia session on developing their personal Gender IQs. The course material is adopted from the HeForShe Movement, a UN initiative that aims at involving the youth of countries in the gender equality movement. The celebration enabled students to discuss important gender related issues in a fun, and neutral environment, thus encouraging them to become more involved and aware. The session was held on 3rd December 2020 by Ms Ibha Gupta, Assistant Professor, Department of English. A total of 14 students attended the session.
