c) Devising new curriculum and courses

- Many institutions of higher education develop new curricula in existing courses as well as design new courses to engage with community.
- This enriches the curriculum of existing courses through locally-appropriate subject-matter.
- It also creates new, locally appropriate educational programmes that interest new generation of students.
- For example, new courses on financial inclusion, entrepreneurship development and nutritional value of local produce can improve knowledge and business opportunities for students.

The video feed shows Prof. Allan Abreo, a man with a mustache wearing a grey flat cap and a camouflage-patterned shirt.
