International Year of Millets 2023

The School of Sanskrit, Philosophy and Indic Studies in collaboration with the Campus Amenities Committee of Goa University organized a display of food products with millet-based recipes to create awareness on the consumption of millet-based products among university faculties and students. This initiative was conducted during the second week of May to acknowledge the United Nations' declaration of 2023 as the "International Year of Millets."

The below recipes were on display:

Raagi bread/ roti

Dessert made from Bajra

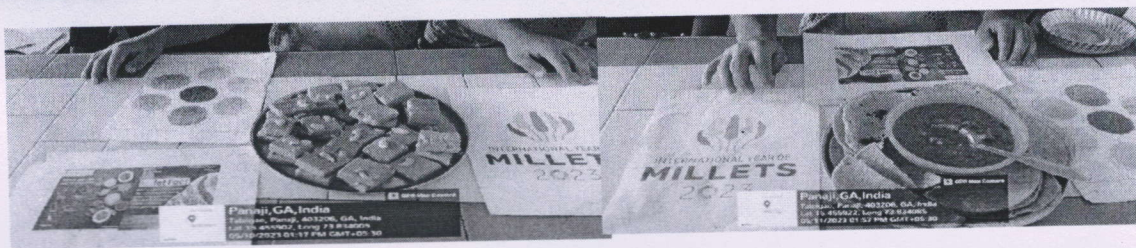

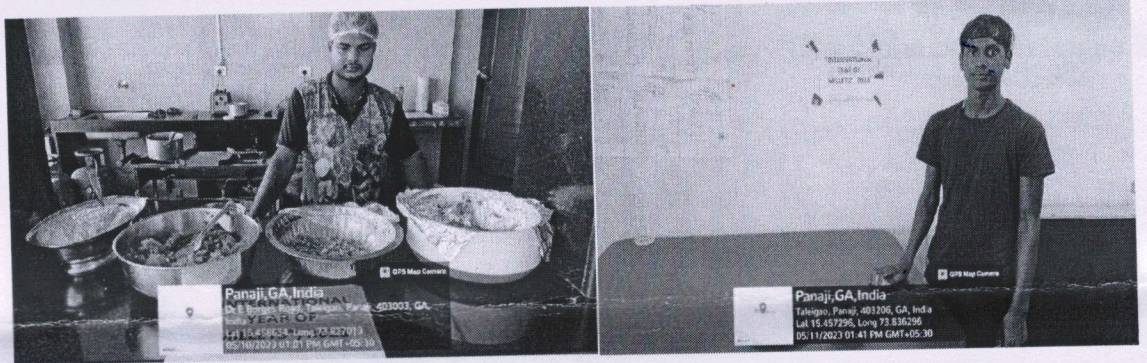

Raagi pudding and other items made from millet.

The recipes were displayed in Block 'E' canteen in the School of Chemical Sciences, Block 'F'- Goa Business School (F), Men's and women's hostel mess to encourage the students as well as the faculties to create awareness regarding the health benefits of consuming millets along with posters containing information on the importance of millets.
