#### School of Biological Sciences and Biotechnology,

#### Report on THE VIGILANCE AWARENESS WEEK 2022

The awareness week is observed by **Discipline of Biotechnology, School of Biological Sciences and Biotechnology (SBSB)**, Goa University. The objectives of Vigilance Awareness Week are to:

- Take an Integrity Pledge and as an employee, committing oneself to working following the ethical code of conduct in work and personal life;
- Spread the word on prevention of corruption within and outside the University and the Regional Centers; Conduct workshops and campaigns for employees and other stakeholders on the policies/procedures of the University and preventive vigilance measures;
- Conduct various competitions such as debates, quiz etc. for the employees and their families on issues relating to anti-corruption;
- Use University website for dissemination of employees/customer oriented information and to make available avenues for redressal of grievances;
- Bring out special issue of journals/newsletters on vigilance issues;
- Initiate improvements and adopt good practices for wider dissemination and awareness;
- Distribute pamphlets/handouts on preventive activities, whistle blower mechanism and other anti-corruption measures.

The discussion session followed by the Integrity Pledge was administered by the Program Director, Dr. Meghanath Prabhu, to all the employees and students of the School on **31<sup>st</sup> October 2022 at 10.15 am** at School of Biological Sciences and Biotechnology. More than 10 plus faculty members and 50 plus students participated in the event. Social media platforms, viz., Whatsapp and E-mail were used to promote and spread awareness of the Vigilance Awareness Week.
