Sub: Collection, Treatment and Disposal of Garbage from Goa University
Ref: Your tender dated 13/06/2022

Sir,

With reference to the subject matter, your tender dated 13/06/2022 for the above cited subject has been accepted by the University for an amount of Rs 98,000/- (Rupees Ninety Eight thousand only) per month exclusive of GST as applicable on the following terms and conditions.

1. (a) You are required to collect dry waste and wet waste on a daily basis except Sundays and public holidays from the designated locations with your own transport and unloading it at specified location.
(b) Segregate the dry waste, plastic waste, and wet waste at specified location. The sanitary and domestic medical waste shall be collected separately from the buildings.
(c) Dispose of dry waste collected from University Campus to authorized recyclers/Cement factories/Goa Waste Management Corporation or any other authorized agency as approved by Goa Pollution Control Board from time to time.
(d) To carry out the wet waste management in the Goa University campus at specified location for composting along with horticulture waste (dry leaves) which can be collected from University Campus.
2. The necessary infrastructure such as compost pits, shed, water connection, electricity connection with meter will be provided by the University for carrying out the wet waste management in the University Campus.
3. The agency shall use the location provided by the University for Treatment / recycling of the waste collected from University campus only. Under no circumstances the garbage collected from outside University Premises shall be allowed to be treated at the allotted location.
4. The compost generated from the Wet waste management will be the property of the University and the agency will have no claim on it.

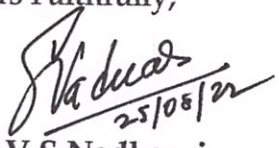

5. All the charges towards disposal of dry waste shall be borne by the agency.
6. An agreement on stamp paper containing the terms and conditions in this respect will have to be executed by you within seven days of the issue of this letter.
7. You are informed to contact Assistant Engineer EA&AS for taking possession of the site and completing the formalities.

For timely collection of dry/wet waste from all University residential/non-residential buildings, site will handed over to you on 29/08/2022.

The term of contract shall be valid from 01/09/2022 to 31/08/2025 for a period of thirty six months.

Thanking You,

Yours Faithfully,

**Prof V S Nadkarni
