| <b>10. The objectives of the Program/activity/event</b>       | <p>The national moot court and policy hackathon was to provide law students with a simulated courtroom experience, allowing them to develop and practice their advocacy and legal research skills. Moot court competitions typically involve participants (law students) presenting oral arguments based on a hypothetical legal case. The case addressed complex legal issues and involve issues of Human Rights.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| <b>11. Description of the Program/activity/event</b>          | <p>The two-day event commenced with the inaugural session, featuring preliminary rounds 1 and 2, as well as the quarters of the moot court. Day one concluded with a vibrant cultural evening. On the second day, the moot court progressed to the semi-finals and finals. The event reached its culmination with a grand valedictory session.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| <b>12. Benefit/Key outcomes of the Program/activity/event</b> | <p>The national moot court program offers a multifaceted platform for legal skills development, emphasizing professionalism and courtroom etiquette. It facilitates valuable networking opportunities with legal professionals, judges, and academics, enhancing participants' exposure to the legal community. Contributing to the promotion of legal education, the program encourages students to analyze precedents and construct well-reasoned legal arguments. Through presenting oral arguments, participants build confidence in advocacy and public speaking. Teamwork is promoted as participants collaborate to present cohesive cases. The program deepens understanding of national laws, prepares for legal practice, recognizes excellence, contributes to legal discourse, prepares for international competitions, and raises public awareness about legal issues.</p> |
