Dr. Arjun Adhikari,  
Assistant Professor of Remote Sensing and GIS,  
School of Earth, Ocean and Atmospheric Sciences,  
Goa University – 403206, Goa, India.

**Subject: Appointment as Scientific Advisor**

Dear Dr. Arjun Adhikari,

We are pleased to formally appoint you as the **Scientific Advisor** to **Trilochana Aerospace and Defence Technologies Pvt. Ltd.** Your expertise and experience in remote sensing and coastal physical oceanography will be invaluable for our research, development, and innovation initiatives.

As the Scientific Advisor, we expect to seek your guidance in:

- Writing collaborative projects and grants for regional, national, and international bodies.
- Involvement in research publications, national/international patents and revenue sharing on products and/or services jointly developed on case-to-case and/or project-to-project basis
- Providing strategic guidance on scientific and technological advancements relevant to our industry.
- Training of manpower.
- Assisting in the formulation and execution of R&D strategies.
- Advising on the development and implementation of innovative technologies.
- Collaborating with internal teams to enhance research capabilities.

We believe that your association with **Trilochana Aerospace and Defence Technologies Pvt Ltd** will contribute significantly to our growth and technological advancements. We look forward to working with you and leveraging your expertise for the continued success of our organization.

Best regards,

**Dr. Chintamani Pai**  
Director  
**Trilochana Aerospace and Defence Technologies Pvt Ltd**
